

ARTISTS: ENTER THE VHAA FALL SHOW THIS NOVEMBER!

Your paintings — watercolors, oils, acrylics, etc. — and photographs could have ribbons on them, just like in this photo.

November is the first juried show of the Verdugo Hills Art Association's 2016-2017 season. This popular annual show runs from Nov. 5-26 at the La Cañada Library (4545 Oakwood Ave, La Cañada Flintridge, CA 91011).

The show is open to VHAA members only. If you aren't a member, you can join for \$35 for the entire year, including monthly meetings, three more exhibitions, and other benefits.

At the Nov. 4 general meeting, you can enter your artwork for the Artist of the Month competition and then bring it to the library the next day. Or just enter it in the show on Nov. 5.

To enter, bring your beautiful creations to the rear of the library on Nov. 5 between 8:30 and 9:30 a.m. The entry fee is \$10 for each item (cash or check only), no more than three per artist. Everything has to be ready to hang with wire — no saw tooth hooks. The pick-up date is November 26, the Saturday after Thanksgiving.

If you have questions, contact Nikki Thomas, Exhibition Chair, at 323/394-2165 or nikkithomas1@gmail.com.

DRAWING and PERSPECTIVE for the ARTIST

Workshop Presented by Jay Ewing

Saturday, November 19, 2016 – 9:00am to 2:00pm
Citibank Community Room, 2350 Honolulu Ave., Montrose

Jay Ewing grew up in New Mexico, and eventually moved to California to become a student at Pasadena's Art Center College of Design. His early career as an illustrator provided him the opportunity to work in the movie industry as a designer and storyboard artist. In 1984 he established a graphic design business, which he owned for 22 years. The business's international client base, along with his love of travel, were the reasons he became fascinated with painting on location in various parts of the world.

Jay is happiest when traveling with his paint box. As an avid sailor, he is drawn to waterfront scenes, boats and ships of all kinds, and the sea itself. In addition, he finds subjects in historic architecture, rural scenes and pastoral farmlands, mountains and other natural subjects, and in gardens and parks. He states, "Drawing is the basis for all successful paintings. It's a skill that cannot be ignored; it must be learned before your paintings can progress!" It's also true for learning to draw in correct perspective.

This workshop will touch upon such skills as: Basic Shapes, One- and two-point Perspective, Anatomy of Shadows, Seeing Masses and Shapes, and Organizing Complex Scenes. Bring your supplies such as 8x10 Sketchbook, Pencils (2B or HB, or Mechanical in OK), Kneaded Eraser, Ruler or Triangle, Masking or Artist's Tape.

Jay teaches watercolor classes at Descanso Gardens and Pasadena Nazarene Church. He is a member of the California Art Club and the Verdugo Hills Art Association. Jay resides in Pasadena, California, with his wife and traveling partner, Carole.

Sign up early! Space will be limited. **Workshop COST: \$45 VHAA members, \$55 non-members/guests**
